The screenshot shows the top navigation bar of the RISD Student portal. On the left is the RISD Student logo. In the center, there is a light blue button labeled "Health Screener". A callout box with a green arrow points to this button, containing the text "Click on the Health Screener button." On the right side of the navigation bar is a "Logout" link.

4. Answer the screener questions, input the student's temperature, and digitally sign by clicking the button.

The screenshot shows the "Screener - RISD" web page in a browser. The browser address bar shows "student.risd.org/Screener". The page header includes the RISD Student logo, the user name "Hello fl987654@g.risd.org!", and a "Logout" link. The main content area contains two screening questions, each with a "No" button. The first question asks about close contact in the past 14 days. The second question asks about symptoms in the past 24 hours, with a bulleted list of symptoms: Cough, Shortness of breath or difficulty breathing, Chills/repeated shaking with chills, Muscle pain, Headache, Sore throat, Loss of taste or smell, Diarrhea, and Feeling feverish or a measured temperature greater than or equal to 100.0 F. Below the second question is a text input field for "Your Temperature" with the value "96". At the bottom, there is a certification statement and a signature line. A blue button at the bottom is labeled "Signed by Fred Linstone (or legal guardian) on 8/28/2020". Three callout boxes with green arrows provide instructions: one points to the "No" button for the first question, another points to the "No" button for the second question, and a third points to the temperature input field. A fourth callout box points to the signature button.

In the past 14 days, have you had known, prolonged (greater than 15 minutes) close contact (within 6 feet) with a person who has tested positive for COVID-19 or is suspected of having COVID-19?

No

In the past 24 hours, have you had any of the following symptoms:

- Cough
- Shortness of breath or difficulty breathing
- Chills/repeated shaking with chills
- Muscle pain
- Headache
- Sore throat
- Loss of taste or smell
- Diarrhea
- Feeling feverish or a measured temperature greater than or equal to 100.0 F

No

Your Temperature

I certify that the above information is true and correct for *Fred Linstone* on 8/28/2020.

I also agree to contact Richardson ISD **immediately** if Fred Linstone tests positive for COVID-19.

- 5. A green screen means the student is clear to attend face-to-face instruction or enter the campus. If you receive a red screen, please stay home and contact the school nurse immediately.**
